

MY VILLAGE

I come from Köstendorf. There live about 2,600 people and its area is 23,13 km². It's a cool and big village.

There are three schools and one kindergarten. There is a secondary school, a school for children with special needs and a primary school. The primary school and the kindergarten were built about eight years ago.

Opposite the little shop on Main Square there is a new bus stop. We also have a bakery. That's very good. In our village there are many blocks of flats and detached houses. We have a church, a butcher's, a bank, a restaurant (Taferne) and there is also a GP (a doctor) in our village.

I love Köstendorf because I don't have a long way to school. I only walk five minutes to school.

In the summer there is *Rock am Platz*. This is a concert with many different bands and we go there every year. My friends live in Köstendorf, too. I like it very much because I can easily visit my friends.
