

My Village

I come from Köstendorf. It's a big village. There are about 2,600 inhabitants. On the main square there is a fountain and a flower shop. Opposite the flower shop there is a bakery. Next to the bakery there are many houses. 100 metres further you can find the primary school. Next to the school there is the kindergarten.

On the main square there is also a restaurant. 20 metres further there is a butcher's and a little shop called *Lassnig*. There is also a football ground. On the main square there is a big concert every year. It's called *Rock am Platz*.

I like Köstendorf because it's a nice village and it's very clean. Köstendorf is a great place to live because there are friendly people.

I like it very much because I live right next to my school and it only takes me three minutes to get to school.
